

Health and Safety Plan

Updated as June 30, 2022

The Fred Wells Tennis & Education Center (The Fort) is committed to providing a fun, safe and healthy environment for staff and players at our facility and at off-site locations. We appreciate your partnership with the following guidelines:

Check-In/Health Screening

All individuals entering the facility or a program administered by The Fort are asked to self-reflect on how they are feeling and if they have had any recent exposure to COVID-19. By checking in, you certify that you and/or your child feel well and are following CDC guidance for any recommended isolation or quarantines.

If you are unsure on if you or your child should be entering the facility, please review the latest CDC guidance by [clicking here](#). In addition, if a member of your household has tested positive for COVID-19, we ask that you refrain from entering the facility for a minimum of 5 days, regardless of vaccination status, and consider monitoring for symptoms and getting tested. Refunds are given for all COVID-19 related absences.

Check-In Procedure:

- All individuals entering the facility must enter through the front doors and leave through the designated exit door.
- All individuals entering the facility must check-in at the front desk, and all patrons must scan their cards.

Safety Measures

- Face coverings are optional.
- Hand sanitizing stations are available for all staff and participants to use when they arrive and throughout the day.
- Activities will maintain social distancing of at least six feet to the greatest extent possible.

Communication Protocols

- All players who were in the facility prior to receiving positive COVID-19 test are asked to notify us immediately by calling 612-252-8367.

Please note that this Health and Safety Plan and our procedures may be updated based on guidance from the CDC, MN Department of Health, and State and Municipal Governments.

Current participants will be notified of changes and the latest version of our Health and Safety Plan will be available on our web site at www.fwtec.org.
